RE: Donations

Dear Sirs and Madams;

We would like to introduce ourselves: We are the Tehachapi Mountains Search and Rescue (TMSAR), an all Volunteer Service Unit serving our community and Kern County. Our primary mission is locating, rescuing, and recovering missing persons such as injured hunters and hikers. As a 24-7 on-call unit, TMSAR has focused our area of expertise on the specific needs of the mountains and deserts of Kern County. We respond quickly and have successfully located Autistic children, persons suffering from Alzheimer's and victims of downed aircraft. Additionally, when the need arises, TMSAR is called upon to assist in Searches throughout the state and across the nation.

TMSAR is certified by the Mountain Rescue Association and has been a certified unit of the National Association of Search and Rescue for 10 years.

This all-volunteer unit, dedicated to serving our community, is self-funded, receiving no governmental assistance. We are a non-profit, tax-free, organization having been granted our 501(c)(3) status (number provided upon request), solely supported by fundraisers and donations. Through the generosity of our community members we are able to run our operations, including: the ongoing trainings and certifications of our volunteer force along with the purchase of much needed life-saving equipment.

Our next fundraiser, The 9th Annual Shoot, will be held May 20, 2017. We, at TMSAR, would appreciate any help you are able to provide. For more information about our organization visit our website at www.tmsar.org or call Dory Kline and/or Bobby Podratz, see below.

We hope that you can assist us in our continued endeavor to help our community.

Sincerely,

Dory Kline and Bobby Podratz
